Introduction and Update

Amply documented the Kiev regime is dominated by Neo-Nazis. In the peace negotiations initiated in Saudi Arabia on February 18, members of the Kiev regime including President Zelensky were not invited.

It’s a **United States- Russia Federation constructive bilateral meeting under the auspices of Saudi Arabia.**

> Putin’s foreign policy adviser **Yuri Ushakov** and Russian Foreign Minister **Sergei Lavrov** sat opposite **U.S. Secretary of State Marco Rubio**, national security adviser **Mike Waltz** and Trump’s Middle East envoy **Steve Witkoff** at a polished wooden table with three large white floral arrangements. (The Independent)

In the words of President Zelensky: “We, as a sovereign country, simply will not be able to accept any agreements without us”.

.

It must be understood that the Neo-Nazi regime headed by president Zelensky does

not represent the people of Ukraine.

The Failed Switzerland Peace Conference

The June 2024 Ukraine Peace Summit in Switzerland was an outright failure. Sponsored by the Swiss Government (15-16 June, 2024) it resulted in a chaotic public relations ploy rather than a peace initiative. Russia had not been invited to attend.

The fundamental issue, which was carefully avoided was that **the dominant Nazi faction within the Kiev government** exerts its power in the realm of intelligence, internal affairs, national security and the military.

Amply documented, the 2014 EuroMaidan US Sponsored Coup d'Etat was carried out with the support of the two Nazi factions: **Svoboda** and **Right Sektor** headed by **Dmytro Yarosh.**

In Part I of this article the issue of Holocaust Denial is addressed:

Our governments –which claim to be firmly committed to social democracy– **are actively supporting and financing a coalition government which is supportive of Ukraine's Nazi movement which collaborated with Nazi Germany's occupation forces during World War II.** The evidence is overwhelming.

Specifically, the German penal code **prohibits "Denial of the Holocaust"** as well as the "dissemination of Nazi propaganda".

We are dealing with something far more serious than Nazi "hate speech", namely **the relationship of the German Government with the Kiev regime's Nazi Movement.**

See the legal procedures of the **European Parliament pertaining to Holocaust Denial**

See also the **Resolution of the UN General Assembly**, dated January 2022 quoted in the above document.

Unquestionably, the German Government of Chancellor Scholz's decision to support the Kiev regime's Nazi Movement constitutes a criminal act under German law., namely the violation of. the Penal Code.

While Western governments are actively repressing the protest movements against **Israel's act of genocide**, —with mass arrests on **charges of antisemitism**—, **these same governments are supporting Ukraine's Nazi movement** which actively participated and collaborated with Nazi Germany in **the genocide directed against the Jewish population of Ukraine. (1941-1944)**

Introduction

The Neo-Nazi parties of Ukraine’s so-called coalition government are actively supported by “the international community” namely our governments.

The Nazi faction within the Kiev government exerts its power in the realm of intelligence, internal affairs, national security and the military. It’s a proxy regime in liaison with its U.S.-NATO sponsors.

Amply documented, the 2014 EuroMaidan US Sponsored Coup d’Etat was carried out with the support of the two Nazi factions: **Svoboda** and **Right Sektor** headed by **Dmytro Yarosh**

Dmytro Yarosh (Centre) EuroMaidan Coup d’Etat

Andriy Parubiy founded in 1991 the **Social-National Party of Ukraine** (subsequently renamed **Svoboda** [Freedom], together with **Oleh Tyahnybok**. The name Social-National

Party was chosen with a view toreplicating the name of Hitler's Nazi (National Socialist) party.

Parubiy was subsequently appointed Chairman of Ukraine's Parliament (Verkhovna Rada).

According to **Andriy Parubiy**: **Adolf Hitler** was **"the torchbearer of democracy". (See Part II below)**

The two Neo-Nazi parties of Ukraine's so-called coalition government are actively supported by "the international community" namely our governments.

Amply documented, the 2014 EuroMaidan US Sponsored Coup d'Etat was carried out with the support of the two Nazi factions: **Svoboda** and **Right Sektor.**

The U.S. Congress has allocated more than 60 billion dollars in military aid, which will in large part be managed by Kiev regime's Nazi faction which exerts its power in the realm of intelligence, internal affairs, national security and the military, in liaison with its U.S.-NATO sponsors.

Nazism and the History of World War II

These are not "**Neo-Nazi"** entities. The term **"Neo" ("New")** is misleading. They are full-fledged Nazi parties, historically aligned (going back to World War II) with the **Organization of Ukrainian Nationalists (OUN)** of **Stepan Bandera**(OUN-B)

According to the **WW II Holocaust Museum:**

> "Before World War II, the 1.5 million Jews living in the Soviet republic of Ukraine constituted the largest Jewish population within the Soviet Union, and

> one of the largest Jewish populations in Europe. ... The number of Jews in the Ukrainian Soviet Republic (UkrSSR) rose to 2.45 million people [from 1939-1941]"

Amply documented the **OUN-B** and its **National Insurgent Army (UPA)** were actively involved in the massacres of Jews, Poles, Communists and Roma in major cities including Odessa and Kiev.

At the outset of Operation Barbarossa, (June, 22 1941) in coordination with the death squads (*Einsatzgruppen*) of Nazi Germany, **members of the OUN-B were instrumental in the killings in the City of Lviv,** Western region of Galicia, resulting in the massacre and deportation of more than 100,000 Jews:

> "The **Lviv pogroms** were the consecutive pogroms and massacres of Jews in June and July 1941 in the city of Lwów. (Lviv, Lvov) in German-occupied Eastern Poland/Western Ukraine (now Lviv, Ukraine). **The massacres were perpetrated by Ukrainian nationalists (specifically, the OUN)**, German death squads (Einsatzgruppen), and urban population from 30 June to 2 July [1941]."

While **Stepan Bandera** had announced the creation of a Nazi Ukrainian State, which pledged "to work with Nazi Germany", Adolf Hitler disapproved of the proclamation. Despite Bandera's "house arrest", **the members of OUN-B actively collaborated with the Wehrmacht's occupation forces (1941-1944).**

> In Ukraine: "..up to a million Jews were murdered by Einsatzgruppen units, Police battalions, Wehrmacht troops **and local Nazi collaborators**" (emphasis added)

On September, 1 1941, the Nazi-sponsored Ukrainian newspaper ***Volhyn*** wrote, in an article titled **Let's Conquer the City**, namely Lviv:

> **"All elements that reside in our land, whether they are Jews or Poles, must be eradicated.**
>
> We are at this very moment resolving the Jewish question, and **this resolution is part of the plan for the Reich's total reorganization of Europe.**
>
> The empty space that will be created, must immediately and irrevocably be filled by the real owners and masters of this land, the Ukrainian people".(emphasis added)

The map below is the territory under Nazi Germany occupation (1942) extending from Galicia to Kiev and Odessa.

It indicates cities with Jewish ghettoes, the locations of major massacres.

In this regard, the **Janowska concentration camp** was established in the outskirts of **Lviv** in September 1941.

Lviv had a Jewish population of 160,000. **The Janowska camp** combined "elements of labor, transit, and extermination".

> "By the time Soviet forces reached Lviv on 21 July 1944, **less than 1 per cent of Lviv's Jews had survived the occupation**" (emphasis added)

Holocaust Denial?

The OUN-B was complicit in the crimes of Nazi Germany. Our governments –which claim to be firmly committed to social democracy– are actively supporting a Ukrainian Nazi movement which collaborated with Nazi Germany's occupation forces during World War II.

That is the unspoken truth which is embedded in our history, casually ignored by both the media and Western Europe's "Classe politique".

By ignoring the World War II legacy of **Stepan Bandera's OUN-B** and casually describing him as an anti-Soviet Nationalist, both the mainstream media as well as our governments, are complicit in what might be described as **"Holocaust Denial"**.

Specifically, the German penal code **prohibits "Denial of the Holocaust"** as well as the "dissemination of Nazi propaganda". We are dealing with something far more serious than hate speech, namely **the relationship of the German Government with Ukraine's Nazi Movement.**

See the legal procedures of the **European Parliament pertaining to Holocaust Denial**

Unquestionably, the German Government of Chancellor Scholz's decision to support Ukraine's Nazi Movement constitutes a criminal act under German law., namely the violation of. the Penal Code.

Who is Practicing Antisemitism?

While Western governments are actively repressing the protest movements against **Israel's act of genocide**, —with mass arrests on **charges of antisemitism**—, **these same governments are supporting Ukraine's Nazi movement** which actively participated and collaborated with Nazi Germany in **the genocide directed against the Jewish population of Ukraine.**

Sounds contradictory?

My question is: **Who are the Anti-semites?** The answer is obvious. **Our governments**,

which are financing the Neo-Nazi regime in Kiev.

From a legal standpoint, this is a criminal act on the part of Western governments.

Moreover, **the funds allocated by the US Congress (April 2024)** to Ukraine ($60 billion +) and Israel ($22 billion +), are in blatant violation of the Genocide Convention. (See below)

The Genocide Convention

Article I defines the responsibility of contracting parties to prevent and to punish

> **The Contracting Parties** [member States of the U.N.] confirm that genocide, whether committed in time of peace or in time of war, **is a crime under international law which they undertake to prevent and to punish.**

Article II of the Convention defines Genocide as

> **"**any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such:
>
> (a) Killing members of the group; (b) Causing serious bodily or mental harm to members of the group; (c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part; (d) Imposing measures intended to prevent births within the group; (e) Forcibly transferring children of the group to another group.

Article III, section (e) defines the acts which are **punishable** including

> **(e) Complicity in genocide.**(which applies to Western governments which are supporting Israel)

Article IV

> "Persons committing genocide or any of the other acts enumerated in article III [Article III (e)] **shall be punished,** whether they are **constitutionally responsible rulers, public officials or private individuals.**

"Complicity in Genocide" (Art. III). Our Governments "Shall be Punished" (Art. IV) ?

Articles I, III and IV

By endorsing Israel's act of genocide against the People of Palestine, our governments which are "contracting parties") **are "complicit" according to Article III (e)** of the **Genocide Convention.**

Under Articles III and IV, Western governments ("**constitutionally responsible rulers, public officials")** which endorse Israel's act of genocide are subject to **punishment** under the Genocide Convention.

Is Netanyahu Antisemitic?

Western governments are not only supporting Israel's act of genocide, they are in collusion with Prime Minister Netanyahu who has an extensive criminal record(charges of corruption according to the NYT)

While the genocidal actions taken by his government against the People of Palestine are of a criminal nature under the Genocide Convention, they are also considered as **an act of anti-semitism directed against the People of Palestine**.

The Semite people of the Levant, Mesopotamia and the broader Middle East share a common history, culture and similar languages, broadly including Arabs, Jews, Assyrians, Arameans, Phoenicians.

Bear in mind that Aramea (similar to Arabic and Hebrew) was the language of communication at the outset of Christianity. It was the language of Jesus Christ.

Ukraine on Fire

Flash Forward: Collaborating with Today's Nazis

There is ample evidence of collaboration between the Kiev Neo-Nazi regime and NATO member states, specifically **in relation to the continuous flow of military aid as well as the training and support provided to Ukrainian forces, not to mention the Nazi Azov Battalion.**

In turn, the Azov battalion –which is the object of military aid, has also been involved in the conduct of Summer Nazi training Camps for children and adolescents.

See:

Ukraine's "Neo-Nazi Summer Camp". Military Training for Young Children, Para-military Recruits, By Prof Michel Chossudovsky, July 08, 2023

The Azov battalion's Summer Camps are supported by US military aid channelled to the Ukraine National Guard via the Ministry of Internal Affairs. The MIA coordinates the "anti-terrorism operation" (ATO) in Donbass.

Today these children -who have been duly indoctrinated- are adolescents who are being drafted to serve in the Armed Forces and/or the Azov Battalion.

Neo-Nazi Parties are Illegal

While Neo-Nazi parties are outlawed in a number of European countries including Germany where symbols and Nazi slogans are illegal, **the governments of NATO-EU member states are routinely supporting Nazism in Ukraine.**

The following image is revealing, from Left to Right:

- the **Blue NATO flag**,
- the Azov Battalion's **Wolfangel SS** of the Third Reich,
- Hitler's **Nazi Swastika** (red and white background)

are displayed **which points to collaboration between NATO and Ukraine's Nazi regime.**

Our Message to Western Governments

Who are the Anti-semites? The answer is obvious. **Our governments, who are financing the Neo-Nazi regime in Kiev.**

Collaborating with a Nazi regime is a criminal act under international law.

Providing 60+ billion dollars of military aid to a Nazi government is illegal. It's the criminalization of the US Congress.

Supporting Israel's Genocide against the People of Palestine is a Crime against Humanity. **Our governments are in violation of the Genocide Convention.**

By endorsing Israel's act of genocide against the People of Palestine, our governments (which are "contracting parties") **are "complicit" according to Article III (e)** of the **Genocide Convention.**

Under Articles III and IV, Western governments ("**constitutionally responsible rulers, public officials")** which have endorsed Israel's act of genocide are subject to **punishment** under the Genocide Convention.

Adolph Hitler is Ukraine's "Torchbearer of Democracy"

Kiev Regime Speaker of the House "Is Not a Nazi". Ukraine is "A Flowering of Democracy" according to the NYT

On September 4, 2018 the Chairman of Ukraine's Parliament (Verkhovna Rada) ***Andriy Parubiy****'s intimated that* ***Adolf Hitler*** *was "the torchbearer of democracy".*

His statement was broadcast on Ukraine's ICTV channel. ***Parubiy described Adolf Hitler as a true proponent of democracy claiming that the Führer "practiced direct democracy in the 1930s." (Tass, September 5, 2018).***

> *"I'm a major supporter of direct democracy,... By the way, I tell you that* ***the biggest man, who practised a direct democracy, was Adolf Aloizovich [Hitler]".*** *(quoted by South Front)*

This controversial statement, with some exceptions was not picked up by the Western press. Lies by omission.

Not a single US, Canadian or EU News media took the trouble to cover the story.

Why? Because the Kiev regime (including its Armed Forces and National Guard) is integrated by Nazi elements which are supported by the US and its allies.

Parubiy has been given red carpet treatment by Western governments. He is casually portrayed as a right wing politician rather than an avowed Nazi.

Embarrassment or Denial?

The US Congress, Canada's Parliament, the British Parliament, the European Parliament, have invited and praised M. Parubiy.

The Opposition Bloc faction in Ukraine's parliament, the Verkhovna Rada, has demanded public condemnation as well as the resignation of the Chairman of the Rada **Andriy Parubiy.**.

Who is Andriy Parubiy? Why Do Western Politicians Love Him?

Parubiy founded in 1991 the **Social-National Party of Ukraine** (subsequently renamed **Svoboda** [Freedom], together with **Oleh Tyahnybok**, who currently heads the Svoboda party. The name Social-National Party was chosen with a view to replicating the name of Hitler's Nazi (National Socialist) party

Parubiy was 'Commandant' of the volunteer rebel forces together with **Dmytro Yarosh** (head of the Right Sector, image above) and Oleh **Tyanhnybok.**

These neo-Nazi insurgent forces were involved in the 'Euromaidan' coup d'Etat in early 2014, which led to the overthrow of president **Viktor Yanukovych**. All three neo-Nazi leaders are followers of Ukraine's Nazi **Stepan Bandera** (see image below), who collaborated in the mass murder of Jews and Poles during World War II.

> Confirmed by [former] Assistant Secretary of State Victoria Nuland, key organizations in the Ukraine including the Neo-Nazi party Svoboda were generously supported by Washington: *"We have invested more than 5 billion dollars to help Ukraine to achieve these and other goals. … We will continue to promote Ukraine to the future it deserves."*
>
> The Western media has casually avoided to analyze the composition and ideological underpinnings of the government coalition. The word "Neo-Nazi" is a taboo. It has been excluded from the dictionary of mainstream media commentary. It will not appear in the pages of the New York Times, the Washington Post or The Independent. Journalists have been instructed not to use the term "Neo-Nazi" to designate Svoboda and the Right Sector. (see Michel Chossudovsky, March 7 2014)

In 2014 **Andriy Parubiy** was appointed (by the Kiev government) Secretary of **the National Security and National Defense Committee (RNBOU)**. (Рада національної безпеки і оборони України), a key position which overseas the Ministry of Defense, the Armed Forces, Law Enforcement, National Security and Intelligence. While he was dismissed a few months later (August 2014),

Parubiy together with Dmytro Yarosh played a key role in shaping Ukraine's National Guard as a Nazi Force using Nazi insignia. Despite his dismissal by Poroshenko he continues to exert influence in military and intelligence affairs. As Chairman of the Parliament (Verkhovna Rada) Parubiy is entitled (ex officio) to attend all meetings of the RNBOU.

The Azov National Guard

While the media failed to cover Parubiy's statement concerning Adolph Hitler's commitment to democracy, they nonetheless have expressed "concern" regarding the influx of US, Canadian military aid, which might fall in the wrong hands, according to Canada's National Post. (2015 report)

Fake News Coverup of America's Neo-Nazi Ally. Lies through omission.

According to a New York Times March 2014 report published in the immediate wake of the Maidan coup:

> "*The United States and the European Union have embraced the revolution here [Ukraine] as another* ***flowering of democracy****, … .*" (After Initial Triumph, Ukraine's Leaders Face Battle for Credibility, NYTimes.com, March 1, 2014, emphasis added)

The grim realities are otherwise. What is at stake is the unbending US-EU-NATO support of Nazism in Ukraine.
